EDUCATION

LE WAGON - CODING BOOTCAMP

Sept 2020 - Feb 2021

- Acclaimed worldwide coding bootcamp

ARTS² - ÉCOLE SUPÉRIEUR DES ARTS

Sept 2009 - June 2014

- Master's Degree in Applied and Interactive Music

WORK EXPERIENCE

LE WAGON - WEB DEVELOPMENT

Sept 2020 - Feb 2021

- Intensive 24-week coding bootcamp to be trained as a Full Stack Web Developer with specialisation in Front-End.
- *Artsouille* - Responsible for providing the visual design and creating a collaborative platform for emerging artists (see websites section) using **HTML, CSS, Bootstrap, JavaScript, jQuery, SQL, git, GitHub, Heroku, ActiveRecord, and Ruby on Rails.**
- *Rent-a-Planet* - Responsible for conceptualising a creative website (within a timespan of two weeks) that replicates the functionality of a rental platform (see websites section). **HTML, CSS, Bootstrap, JavaScript, jQuery, SQL, git, GitHub, Heroku, Ajax, and Ruby on Rails.**

LE COMPTOIR DE MATHILDE - STORE MANAGER

2019 - 2021

- Responsible for sales, customer satisfaction, inventory management, and for creating financial plan to meet the annual sales target.
- Managing team of ten resources and ensuring the professional development through training, performance appraisal and providing feedback during recruitment.

THALYS - STEWARD

2017 - 2018

- Responsible for continually improving and developing the on-board experience of customers.

In parallel, I have fueled my creativity by collaborating with **Lonely Planet** as a content travel writer/photographer and got my work displayed in the World Bank headquarters after having been on assignment on **National Geographic's** collaborative platform.

SKILLS

Leadership, creativity, **Lightroom, Photoshop**, customer centricity, team management, communication, sales
